

The 2nd Multidisciplinary Research and Innovation for Globally Sustainable Development (MRIGSD)

February 25-26, 2016

Organizers:

Valaya Alongkorn Rajabhat University under the Royal Patronage (VRU),
South East Asian Ministers of Education Organization Office (SEAMEO)
and the National Innovation Agency (NIA)

Venue:

Valaya Alongkorn Rajabhat University under the Royal Patronage (VRU),
Pathumthani, Thailand.

Significance and Rationale:

A multidisciplinary approach involves drawing knowledge from various disciplines to redefine problems out of normal boundaries to reach solutions based on a new understanding of complex situations in order to attain sustainable development globally. The Royal Institute Multidisciplinary Research Network is founded through the association of 28 institutions of higher education in the central region of Thailand. The participants will explore the research presentation in diversified areas of study and exchange their experiences and information among higher educational institutions throughout Thailand and other countries.

Objectives:

The participants are expected to

- i. understand multidisciplinary approaches to conduct research and innovation for sustainable development;
- ii. exchange information and knowledge in relation to multidisciplinary research about innovation;
- iii. strengthen networking among Academics/ Researchers in the Session.

Target Participants:

Administrators, Lecturers, Researchers, Graduate and Under Graduate Students consisting about 200 participants.

Expected Outcome:

The participants are expected to understand multidisciplinary approaches to research and innovation for sustainable development.

Presentation Language: Oral (English)

2. The paper follows given format sample
3. The standard of English is satisfactory
4. Any paper that has been or will be presented or published elsewhere is not accepted. The manuscripts must be in **PDF** formatted and one copy in **WORD** where the page numbering has been removed.

Deadline for Submitting Papers: January 12, 2016

*After this date, papers risk of not being included in the proceedings.

Paper Submission Authors:

The 2nd Multidisciplinary Research and Innovation for Globally Sustainable Development (MRIGSD) encourages submission of papers from all important professionals/ Scholars / researchers/ Students/ Practitioners. We cordially welcome academic papers from you, your colleagues, and your graduate and post graduate students to share and experience in both theory of development and application. These papers may have a focus on either research studies or case studies on Multidisciplinary Research and Innovation for Globally Sustainable Development.

Deadline for full paper submission is January 12, 2016. Authors of accepted papers will be informed 10 days after submission.

How to Prepare and Format Your Paper

STEP 1: Please follow strictly the MRIGSD paper format instructions and MRIGSD format Template.

Note: Standard paper length is 6 pages and no author may exceed 8 pages

STEP 2: Generate your PDF file. The paper must be submitted in Adobe's Portable Document Format (PDF).

Proofread the PDF file generated thoroughly. There could be missing symbols, equations, graphs and also errors reported.

STEP 3: Submit Final Paper

Please send your paper through **electronic mail** at icium2014@gmail.com

STEP 3: Register to attend the Conference.

After a notification will be sent to you that your paper is accepted or need editing. If accepted, a registration form will be sent to you for registration. All papers will be reviewed by a group of our first class peer group paper reviewers. Please send the completed registration form at icium2014@gmail.com. If the registration is not done, it shall be assumed that you wish to withdraw your paper from the conference. The final program and conference proceedings will be prepared according to information that you provided here. Upon receipt of the registration form, **a Letter of Confirmation will be sent to the participants.** Please present the Letter of Confirmation at the Registration desk at the Conference Venue to make payment of fees and to pick up your materials.

Method of Payments

After having completed the paper submission and registration procedure, you must get ready for the Payment. Please make payment at the Registration Desk of VRU on February 25, 2016 between 8.00 to 9.00 AM. Please present the Letter of Confirmation at the Registration desk at the Conference Venue to make payment of fees and to pick up your materials.

Refund Policy:

Once you complete the payment procedure for registration fee, you will receive a receipt to pick up your materials. Registration fee for the 2nd MRIGSD is non-refundable.

Email: icium2014@gmail.com

Accommodation:

Accommodation will be provided at H.R.H. Princess Valaya Building, which is located at the entrance, gate no. II of VRU. The rooms are air conditioned and well furnished. It has restaurant, cafeteria, food center, swimming pool, gymnasium, convenience store and Health Center.

Location of VRU:

Valaya Alongkorn Rajabhat University's main campus under the Royal Patronage (VRU) is located on Phaholyothin Road, Klong Neung Subdistrict, Klong Luang District, Pathumthani Province. VRU is located at a convenient place on Phaholyothin Road 45km north of downtown Bangkok, Thailand. Pathumthani is a province directly north of Bangkok and is part of the Bangkok metropolitan area. It is very near to Bangkok University, Asian Institute of Technology, Thammasat University (Rangsit center), Tesco Lotus and Big C shopping centers etc. The main shopping complex, Future Park Rangsit, is also only about fifteen minutes-drive by car or taxi from VRU. The most famous park in Thailand, Dreamworld is also only about thirty minutes-drive from VRU. It can be reached by any conveyances (buses, cars, taxis, vans etc. which run on the main road twenty four hours). From Suvarnabhumi International Airport to VRU, it takes about one to two hours. Following gives the location map of VRU.
